

THE EDEN

The Exclusive Web 3.0 Live-Streaming Service Platform

WHAT WE DO ➤

希望建立一个Web3.0直播平台，平台提供从2D NFT生成3D Avatar NFT的服务，生成的Avatar可以用在直播中。

The project will provide 3D NFT avatar generate technology from 2D PFP NFT by using our AI algorithm, and be able to live streaming with the 3D avatars. Different from previous live broadcasts, The Eden creates the opportunity for the interaction between viewers and anchors in the same space through Metaverse space scenes. GameFi providers and AMA KOLs can open their own DAO to promo their own channel within the platform.
